b) TO DISCUSS AND SET THE PARISH COUNCIL PRECEPT FOR THE FINANCIAL YEAR 1 APRIL 2010 TO 31 MARCH 2011

Councillors had received notes and a copy of the recommended Precept/Budget issued by the Accounts Team after their meeting on 21 October 2009.

Increasing the Precept to £45,000, (a £7,000 increase on the previous year), left little money for spending other than on the normal Council running costs, general repairs & maintenance within the Parish, grass cutting and Streetlighting costs. The Chairman explained that only £3,100 had been allocated for grants, £500 for each local group that had applied and £100 for the British Legion. He explained that the groups would be guided towards other funding sources from where further grants may be requested. The Chairman had agreed to forego his expenses this year and next. It was thought prudent not to allocate towards capital expenditure next year and to reduce other payments. The Chairman added that a great deal of work has been carried out over the last few years.

Bank interest has dropped dramatically this year and grants that were to have been sourced have not come to fruition. Consequently the carried forward figure for 2010/2011 is expected to be as little as £2,950, £2,340 of which is Praa Sands allocation.

The Clerk was asked about the cost of the election. She had received the invoice and the charge is £2,647.63 plus VAT. This was more than the £1,900 estimate by Cornwall Council as travelling time, the hire of premises and the postage for postal votes had been unknown quantities at that time.

The Chairman said that he would assist in looking for grant funding for items such as a new carpet and loft insulation for the Parish Rooms.

How money has been received and spent so far this year can be seen from the set of figures below:

12. CORRESPONDENCE RECEIVED BY CLERK

The Clerk had received an application for co-option to Breage Parish Council after the closing date. This letter had been left at her home by the applicant. She had received advice from CALC in that if the Council considered this late application it could lead to alternative criticism as there may be others who missed the deadline. As the Council is obliged to co-opt as quickly as possible CALC had advised that the Council continue with the co-option process at its next meeting.

It was proposed by Cllr Keeling, seconded by Cllr Higginson and unanimously resolved that the Clerk reply to the applicant saying that their application would be welcomed in due course should another vacancy occur but that their present application was submitted too late and unfortunately could not be considered for the reason advised by CALC.

It was added that the Clerk should request that future correspondence please be delivered to the Parish Rooms and not to the Clerk's home address.

There being no further business, the meeting closed at 7.37 p.m.
