

SUPPORT PRAA SANDS BEACH

COMMUNITY EVENT

Learn about the Making Space for Sand project and how we can support your community.

Come along and let's discuss:

- **How can we be more prepared for flooding and storm events** through timely and effective planning.
- **How can we adapt effectively and sustainably to coastal change** to create a more resilient community into the future.

All are welcome, sign up via the QR Code!

- Please note, **this is not a drop-in session.**
- Refreshments will be provided.
