Monumental Improvement Project Funding news and we have a
vacancy in the Cornwall AONB Unit project team for an
[Archaeological Officer](#)**

The National Lottery Heritage Fund have announced the award of almost £500k in funding to the Cornwall AONB's Monumental Improvement project. This two-year project will seek to ensure that Scheduled Monuments as sites of national archaeological interest are better identified, supported and enjoyed. We look forward to working with our partners, local communities and landowners on this project which will safeguard Cornish heritage for the benefit of future generations. The project is funded by the Cornwall AONB, National Lottery Heritage Fund, Cornwall Council, Historic England, National Trust and Cornwall Heritage Trust, we will be working to protect the heritage at risk in the Cornwall AONB. The news is now on our social media channels, so please do feel free to share. There is also a an article on the Heritage Fund website here - [Cornwall's historic monuments protected thanks to funding partnership | The National Lottery Heritage Fund](#).
