

SUPPORT PRAA SANDS BEACH

Lets explore past and present coastal change, and future options for Praa Sands.

Come along and let's share:

- Our past and present memories of Praa Sands - How and why has it changed over time?
- What policies are in place for managing the coast?
- What data do we have for Praa Sands? What will the future look like and what options are open to us?

All are welcome, sign up via the QR Code!

- Please note, this is **not** a drop-in session.
- Refreshments will be provided.
