Breage Parish Council had not supported the application. The Officer wished to grant permission and requested BPC 1. To agree with their recommendation; 2. To agree to disagree or 3. Having made strong planning reasons: To maintain BPC's original position on the proposal against the Officer's recommendation, requesting that the application is determined by the Planning Committee. Of the 6 voting Councillors, 0 Councillors chose option 1. to agree with the Officer's recommendation, 1 Councillor CMR chose option 2, To agree to disagree, and 5 Councillors COP, GS, MS, DT and. TW chose option 3 To hold to Council's previous comments and add: The existence of other planning approvals, that may or may not get built, should surely not be used to substantiate other development. Cornwall Council's own guidance states that in permitting 'rural exception sites' this should not in itself generate other development sites.

##### **To confirm the decision.**

**ii) Application PA24/09666 Proposal** Change of use of existing annex to form holiday accommodation, demolition of garage, construction of 2-storey side extension, extension of existing loft conversion & associated works **Location** Roscarrick Penwerris Rise Praa Sands Penzance

Breage Parish Council had stated: "If the holiday accommodation is for family and the two following conditions are attached Breage Parish Council would be able to support. If the intention is for the annex to be let out, (would the Officer please give clarification regarding the holiday accommodation), Breage Parish Council will need to reconsider whether to support the application.

Conditions: 1. Suitable off-road parking to be provided for the additional vehicles 2. There is no main drainage in Praa Sands. A sewage plant to be installed to intercept run off waste before it flows to the beach." The Officer wished to recommend that permission be granted but without the 2 conditions and requested that BPC agree to disagree with their decision. The majority of Councillors voting chose not to agree to disagree with the Officer's recommendation.

Those Councillors felt that off-road parking and sewage are very important considerations for this location. This was relayed to the Officer. 1 vote came in too late and there were 2 no votes as Cllrs were abroad.
